WARRENTON POLICE DEPARTMENT ADDENDUM TO PUBLIC RECORDS REQUEST

Requests for Police Body Cam Video

A request for police body cam video is regulated and controlled by ORS 192.345. Such recordings are exempt from disclosure *“unless the public interest requires disclosure in the particular instance.”* ORS 192.345. In other words, the video will not normally be released, unless the requestor first establishes a public interest that requires such disclosure.

All such public record requests must be subjected to an additional process to determine whether the video must be released under the exception to the ORS 192.345 conditional exemption.

If such an exception is established, further guidelines for ORS 192.345(40) must be followed. Subsections (a), (b) and (c) of Section 40 provide the following:

(a) Recordings that have been sealed in a court's record of a court proceeding or otherwise ordered by a court not to be disclosed may not be disclosed.

(b) A request for disclosure under [ORS 192.345(40)] must identify the approximate date and time of an incident for which the recordings are requested and be reasonably tailored to include only that material for which a public interest requires disclosure.

(c) A video recording disclosed under this subsection must, prior to disclosure, be edited in a manner as to render the faces of all persons within the recording unidentifiable.

This means that the request must identify the date and time of an identified incident and be limited only to those materials justified by the identified public interest. Further, prior to releasing the recording, the faces of **ALL** persons in the recording must be blurred or blocked. Personal information must also be redacted (ex: someone reciting their date of birth or social security number).

In order to meet these conditions, it will take additional time to determine whether a body cam video is subject to disclosure and, if it is, additional time to process the video. It will also mean additional processing costs. You will receive an estimate for this cost before any processing is done and you may be required to put a deposit down prior to any processing. Either way, you will be given an estimate and the opportunity to decide if you want to proceed.

RESOLUTION NO. 2658

Introduced by All Commissioners
