CITY OF WARRENTON CLASS SPECIFICATION

PLANNING DIRECTOR

DEPARTMENT: Planning

CLASSIFICATION: FLSA-Exempt

MANAGEMENT RANGE: 30

DEFINITION: Administers the City's Comprehensive Plan; prepares short-term and long-term recommendations for urban land use that comply with City and State policies, and which implement adopted development goals and visions for the community.

ESSENTIAL DUTIES AND RESPONSIBILITIES: Provides overall management and administration for planning, implementation and coordination of long-range and short-range community development programs and projects and the application of and compliance with City and State land use policies and regulations. The Planning Director reviews/evaluates land use development application materials for land use permits, communicates with applicant, staffs Planning Commission meetings and attends City Commission meetings as needed. Member of Development Review Team coordinating land use applications and review among other team members. Conducts special studies and makes recommendations to City management; oversees and directs the work of consultants. Responsible for development and oversight of department budget. This description covers the most significant essential and auxiliary duties performed by this position for illustration purposes, and does not include other work, which may be similar, related to, or a logical assignment for the position. The job description does not constitute an employment agreement between the employer and employee, and is subject to change by the employer as the organizational needs and requirements of the job change.

JOB DUTIES:

- Administer the implementation of the City's Comprehensive Plan, including ensuring compliance with related City or State zoning codes, policies, or rules and regulations and the processing of land use permit applications.
- Prepare and administer department budget and revenues; monitors expenditures and makes adjustments as appropriate to achieve goals within budget funds
- Review/evaluate site-specific land use proposals to determine compliance; when appropriate propose alternative actions that would better accomplish the City's vision and goals; identify conditions required to meet regulations and provide recommendations.
- Conduct special studies or research and analyze growth management, environmental protections matters and urban development trends, issues, and policies and provide short and long-term recommendations.
- Review and provide recommendations for revisions or enhancements to the City's Comprehensive Plan, zoning code, other related codes, and/or policies rules and regulations.
- Provide technical and professional staff support to the City Commission, Planning Commission, and advisory boards, including preparing briefing materials or reports, providing recommendations or presentations, and maintaining the agendas and minutes of meetings.
- Provide land use and planning assistance to property owners and applicants. Respond to questions regarding the City's Development Code, Comprehensive plan, program and policies or regulations, and serve as the City's representative with citizens, community groups, consultants, other jurisdictions, and the general public.

- Coordinates weekly Development Review Team meeting with fire, building, and public works to review projects and ensure communication and project oversight
- Coordinate urban planning goals and policies with other City departments and staff.
- Oversee and provide direction to consultants undertaking design and land use projects including determining scheduling, ensuring standards are met, approving work plans and project changes.
- Take action to achieve compliance with adopted codes, policies, or rules and regulations when violations are reported.

Job Qualifications and Requirements, Education/Experience: A Bachelor's Degree in urban planning, public administration, or closely related field with at least three years progressive experience in addressing growth management, preferably in a local government environment working with a range of stakeholders, including elected policy makers, and appointed commissions and boards. A Master's degree in planning can substitute for one year of experience.

Knowledge Required:

- Understanding and working knowledge of operational characteristics, services, and activities of a comprehensive urban planning program.
- Working knowledge and experience with land use, growth management and environmental practices and with related City, State, Federal laws, rules, ordinances, guidelines, or principles.
- Working knowledge and experience with site planning and urban plan design review/evaluation and processing of permits.
- Working knowledge and experience with project management and studies including research methods, statistical analysis, technical report writing, and presentation techniques.
- Working knowledge and experience with providing technical and professional staff support to elected policy makers, commissions, and boards.
- Working knowledge and experience with development and monitoring of budgets and expenditures.
- Working knowledge of office procedures and practices.
- Working knowledge of effective reception and customer service practices.
- English grammar, spelling, and usage.

Skills Required/Ability to:

- Understand, interpret, explain and apply City, State, and Federal laws and ensure compliance with the City's urban planning goals, vision policies and practices, reporting and record keeping.
- Work independently and make sound decisions under general or minimal supervision.
- Manage multiple projects, including coordinating processes and activities with others.
- Explain policies and procedures and respond appropriately to questions or concerns from other employees, departments, City management, elected officials, citizens, community groups, external third parties, other jurisdictions, and the general public.
- Perform complicated calculations, computation, and analyses.
- Prepare clear, concise, and comprehensive statements, reports, and other various written materials.
- Maintain or ensure the collection, processing, and accountability of applications.
- Develop, manage, and monitor budgets and expenditures.
- Select, supervise, train and evaluate staff.
- Plan, assign, coordinate, review and supervise the work of assigned staff.
- Communicate effectively, clearly, and concisely, both in writing and orally.

- Exercise professional and responsible judgment and maintain effective working relationships with others.
- Apply effective internal and external customer service skills.
- Use keyboard; utilizing word-processing, spread sheet and database programs or other application software as required for the position.
- Use and operate general office equipment including a calculator, computer, printer, fax, and copier.

Physical Demands and Working Conditions: Work in this class is typically performed in an office environment and may occasionally conduct site visits at various locations. Operation of motor vehicle, occasional travel outside of the City and attendance at meetings or activities outside of normal working hours is also required. Office environment typically requires reaching, fingering, grasping talking, hearing, seeing, and repetitive motions. Also may require periods of sitting with attention at a computer keyboard and video display terminal, light lifting up to 30 pounds, reaching for files. And accuracy in recording information. Frequent interruptions of work may be experienced by others seeking information in person or by phone or by changing priorities in the office. On occasion may deal with distraught or difficult individuals.

Licensing/Special Requirements: AICP membership preferred. Possession of a valid state of Oregon driver's license, or the ability to obtain one.

Supervision: Under the direct supervision of the City Manager.
