Application for City Commission Appointment
(Please complete both pages)

To: Warrenton City Commission

I, Grant Lehman, hereby apply for an interim appointment to serve on the Warrenton City Commission.

What is your interest in applying for this position? *

I love to contribute to the betterment of my community. I want to be part of making Warrenton the best it can be.

What experience or qualifications do you have for this position?

I spent many years in the fire service as both an officer and EMT. I also hold multiple advanced degrees in leadership and business. Between my experience in both the private and public sectors, I feel I am uniquely qualified to empathize with both the private and public sectors when considering my decisions.

What is your education background?

I hold masters degrees in business administration, management and leadership, and data analytics. I am also IFSAC certified as a Firefighter 2, Fire Officer, and Fire Instructor 2

What is your vision for the City of Warrenton? *

I want Warrenton to become the best place to live on the Oregon Coast. We have a great blend of economic strength and residential area that puts us in a position to excel in the coming years.

What are the greatest challenges to the City of Warrenton? *

Currently, we are facing the zoning issues with FEMA that are going to potentially drive up all of our property insurance to very burdensome levels. We also have a seasonality to our economy that makes it very difficult for small businesses to survive past their first two years.

**Attach additional page if statement is longer than space provided*
