## AGENDA MEMORANDUM

TO: The Warrenton City Commission  
 FROM: Mathew J. Workman, Chief of Police  
 DATE: June 13, 2023  
 SUBJ: RV Ordinance Revision Discussion

### SUMMARY

On June 22, 2021 the City Commission held a work session to discuss our RV Ordinances and Codes on Private Property. This discussion was robust and included the eximnation of several different ordinances from several other Oregon cities. The discussion continued on July 13<sup>th</sup> and again on August 24<sup>th</sup> when it was decided to wait on any further changes as the use of RVs as residences and by the homeless and impending legislation regarding the homeless was still being evaluated. Now that the legislation is finalized and we have recently amended our Camping Ordinances, we must revisit the Code that regulates the use of RVs in Warrenton. Following all of the discussions, staff can submit the revisions to the City Attorney for review and later bring the amendments and ordinance back for adoption.

### RECOMMENDATION/SUGGESTED MOTION

Provide guidance and direction to staff as to your preferences for the presented City Code and Ordinance amendments and any new code suggestions.

*No Motion to make at this time.*

### ALTERNATIVE

Leave the City Code and Ordinances as written with no changes or additions.

### FISCAL IMPACT

There could be a limited fiscal impact if we need to purchase and install signage with any of these changes or additions or if we decide to print permits through a commercial printer.

### ATTACHMENTS:

- Ordinances with suggested amendments in **RED**, previous discussion notes in **(BLUE)**, and areas that need further clarification in **PURPLE**.

Approved by City Manager: \_\_\_\_\_

*Esther Moberg*

All supporting documentation, i.e., maps, exhibits, etc., must be attached to this memorandum.

## Ordinance Changes

### **10.16 Recreational Vehicle Parking**

#### **10.16.010 Findings.**

The Warrenton City Commission finds that recreational **vehicles, as defined by ORS 174.101, that are** parked for purposes of lodging or sleeping, on City-owned areas **and public rights-of-way may** create a hazard to public safety.

#### **10.16.020 Parking restrictions.**

Recreational vehicles parked or stored upon property designated as marinas, City parks, or vacant land within the City limits of Warrenton **shall comply with Chapter 10.04 and Chapter 12.28 of this code.**

*(The previous changes were from the City Attorney and align the ordinance with the other Chapters we have been working on previously)*

#### **10.16.030 Temporary parking permits.**

A. A permit to park a recreational vehicle shall be obtained from the City when .... All regulations and requirements on the permit must be followed or the City may revoke the permit immediately. Permits shall be issued for the following:

1. Under the guidelines of Chapter 12.28.030 (Temporary Camping Program).
2. Under the guidelines of Chapter 12.28.040 (Use of RV for Seasonal Businesses).
3. Individuals involved in a City-Approved event at a City facility.
4. Individual identified as "Park Host" for the City at a designated City Park or Marina.

*(The specific restrictions as to location on the property, sewage connections, etc. are either addressed in other codes or will be specifically addressed in the permit that we design and use)*

B. Permits fees are as follows:

1. 3-day (cannot exceed 6-days in any 30-day period); \$30.00
2. 7-day (one allowed in any 30-day period); \$100.00
3. 14-day (one allowed in any 60-day period); \$300.00
4. 30-day (one allowed in any 120-day period); \$500.00

*(This section had the most discussion previously and the most differences in opinion. The City Attorney reviewed the suggestions, and they are in line with what other municipalities are doing with regard to permit fees, time length, etc. A complete ban is not advisable or probable legally.)*

*(We need to discuss this again as to the various lengths, fee amounts, etc.)*

C. Prohibited practices.

1. Recreational vehicles shall not be used as:

- i. Rental dwellings
  - ii. Short-term accessory rentals
  - iii. A leased dwelling, Air BNB, or vacation rental
  - iv. Any other short-term residence that requires payment of a fee.
  - v. On site employee housing, dormitories, boarding rooms, or sleeping quarters.
2. Up to two recreational vehicles are allowed on a single site. More than two recreational vehicles on a single site are defined as a Recreational Vehicle Park under Warrenton Municipal Code Chapter 16.12.010 (Development Code Definitions).
3. There can be no discharge of waste of any sort except into proper sewer or septic systems and any connection to city-owned system must be approved by the city prior to any connection.

*(This section contains several areas where the Commission wanted restrict the use of RV around the City. It also encompasses a growing issue where commercial/industrial businesses are letting employees live in RVs on the property. We have also heard of RV being used as vacation rentals on residential property but have not come across one yet.)*

*(We need to discuss if this encompasses all of the prohibitions that the Commission was concerned with or if there are others, we can address with the City Attorney. I also believe I need to amend the code to allow an RV as a "rental" in an established RV Parks, though I am not sure how that fits in the "Vacation Rental" part of the City Code.)*

#### **10.16.040 Camping facilities.**

Public camping facilities are available within a short distance of the City-owned property. (Ord. 915-A § 4, 1993)

#### **10.16.050 Penalties.**
