COMMISSIONER REPORTS

Commissioner Mitchell stated he attended the Northwest Housing Council. He noted topics that were discussed.

PUBLIC COMMENT

Tony Faletti spoke in regard to the proposed RV park at the marinas and requested to put the brakes on it and get more community input.

PUBLIC HEARINGS - None

BUSINESS ITEMS

Seth Hague and Mark Tolley of Mission DG (MDG) gave an updated plan on their proposed RV resort in the Warrenton and Hammond Marinas. They emphasized that Seafarer's Park will be accessible to the public. The Warrenton Marina will remain the same size and the Hammond Marina will have 191 units total including 30 park models. The park and landing will remain public. Commissioner Mitchell noted his infrastructure concerns; Mr. Tolley stated he is aware of the offsite sewer improvements needed and that they will budget for it. Mr. Tolley noted recreation vehicles have a lower rate of daily usage (sewer flow). Commissioner Mitchell asked how it benefits the citizens of Hammond; Mr. Tolley stated they will be updating the landscape in Seafarer's Park. He noted that the class A RV park will draw in people with a discretionary income that will be spent in the community. Commissioner Dyer noted his concerns with limited parking and asked Mr. Tolley if there is a need for more parking, can they create additional parking; Mr. Tolley confirmed. Mayor Balensifer asked for clarification on the lease cost. Mayor Balensifer noted that the 60-year lease would have to be voted on by the voters after they hit the second year and asked Mr. Tolley if his partners were aware of that; Mr. Tolley confirmed. Lylla Gaebel Chair of the Marinas Advisory Committee discussed the process that has taken place on the committee. She suggested returning the proposal to them to allow the committee to get opinions from community members. She stated that \$6,000 a month for rent does not seem like enough. Commissioner Baldwin asked how many staff are needed to operate the Hammond site and where will they get staff members; Mr. Tolley stated they will need at least 12 employees. He noted the RV resort will have work campers and there will also be a class-A management company that will have a manager and assistant staff. Commissioner Baldwin noted that \$6,000 a month is not enough and needs to go up over time; Mr. Tolley stated that the number will go up. Commissioner Baldwin noted his concerns: Hammond boardwalk leading to the Yacht Club docks is not adequate and there needs to be parking for both docks; the Warrenton marina peninsula has a natural boat launch and with the current Warrenton boat launch being on a dike, that boat launch will eventually have to close, leaving the peninsula as an alternative location. He noted his positives, that they are the only ones to come forward with an idea for the marinas, and noted the financial benefit from transient room tax. Commissioner Baldwin noted that they asked for help and received help. If they kick it down the road, they will not get help again. Mr. Tolley emphasized this is not the end, but the beginning and they welcome community input. Mayor Balensifer asked when the current Urban Renewal District sunsets; City Manager Esther Moberg stated the district will sunset in 3 years. Mayor Balensifer noted the possibility of a Hammond Urban Renewal District in 3 years. He discussed the potential of the Hammond Urban Renewal District and how timeframes can affect it. Commissioner Mitchell reiterated his concerns with the city's needs for additional infrastructure with fire, and police. Commissioners Baldwin and Mitchell noted the need for input from residents. Mayor Balensifer noted this is a concept and not a final plan. Mr. Tolley noted the need for an ENA (exclusive negotiation agreement). Ms. Moberg summarized the possible next steps; a joint work session with the Marina Advisory Committee was discussed. Consensus was to bring back an agenda item at the next meeting with a draft ENA with MDG. Brief discussion followed on the ENA.

MINUTES

Interim Harbormaster Don Beck discussed the emergency pile replacements at E Dock in the Warrenton Marina. Mr. Beck discussed the significance of E Dock. He noted that thirteen of the pilings were in a critical state of failure in addition to the piles that have already collapsed. The contract is for the replacement of four piles. Ms. Moberg noted that the most they can do in the working window is four, and that the city wanted to do more. Commissioner Baldwin asked if there is another way to get more pilings replaced; Mr. Beck responded and noted that the construction company is fitting them in between jobs.

Commissioner Mitchell made the motion to approve the contract with Bergerson Construction to complete the Warrenton Marina E Dock Pile Replacements. Motion was seconded and passed unanimously.

Poe – aye; Mitchell – aye; Balensifer – aye; Dyer – aye; Baldwin - aye

Commissioner Baldwin made the motion to approve a Noise Variance for Bergerson Construction, Inc, for the Warrenton E Dock Pile Replacement project.

Mayor Balensifer asked if the commission authorized a waiver for any noise variances for emergency work. Ms. Moberg stated that it is still in the code and er need to update it by Ordinance.

Motion was seconded and passed unanimously.

Poe – aye; Mitchell – aye; Balensifer – aye; Dyer - aye; Baldwin - aye

Public Works Director Greg Shafer discussed a public utility easement with Roby's Furniture & Appliance. He noted the easement is for operation, access, and maintenance purposes of utilities.

Commissioner Dyer made the motion to accept the proposed public utility easement for operation, access, and maintenance purposes of utilities as requested by the Roby's Furniture & Appliance store development. Motion was seconded and passed unanimously.

Poe – aye; Mitchell – aye; Balensifer – aye; Dyer – aye; Baldwin – aye

Ms. Moberg explained the request for a letter of support for the NOAA grant; Mayor Balensifer explained his concerns. He noted a past incident in the City of Reedsport where FEMA did a study on sea level rise and Reedsport was required to raise their levees higher. He stated that the work is going to happen whether or not they sign the letter; the consensus was to not sign a letter of support.

DISCUSSION ITEMS – None

GOOD OF THE ORDER

Commissioner Baldwin asked Mr. Shafer if any work is being done in SW Cedar area; he has noticed water aeration issues. Mr. Shafer stated he will have staff look into the issue.

Ms. Moberg noted the upgrade to the AV equipment; the community center received new chairs.

MINUTES
Warrenton Parks Advisory Board
December 11, 2023
Warrenton City Hall – Commission Chambers
225 South Main Avenue, Warrenton, OR 97146

1. **CALL TO ORDER**

Parks Board Members Present: Chairperson Bert Little, Carol Snell, Ron Dyer, Brooke Terry, Sammi Beechan, Sara May Long

Parks Board Members Absent: Anya Schauermann

City Staff Present: Greg Shafer, Public Works Director; Jim McCarthy, Public Works Operations Manager; Paige Stump, Public Works Executive Secretary

2. **Pledge of Allegiance**

3. **Consent Calendar**

- a. **Review Minutes of October 9, 2023, Regular Meeting** – In the presence of a quorum of four members of the Parks Advisory Board, Bert Little made the motion to approve the minutes of the October 9, 2023, meeting. Ron Dyer seconded the motion. All board members were in favor, motion passed.

4. **Reports**

- a. **Warrenton Kids, Inc.** – Debbie Little was not in attendance. Bert Little informed participants that Warrenton Kids, Inc.'s activities are primarily related to the baseball fields. As such, Debbie Little will provide updates during baseball season.
- b. **Public Works Operations** – Greg Shafer, Public Works Director, provided the following report:
- i. Parks sponsor sign removal. Public Works found and removed one sponsorship sign from Quincy Robinson Park. The sign is being stored at Public Works.
 - ii. Dog pots. Five (5) locations for additional dog pots have been identified and the new dog pots have been procured. Utility locates are being called in this week. After which, the dog pots will be installed. Ron Dyer asked if a dog pot is being added next to the gazebo at Quincy Robinson Park. Greg Shafer shared the five (5) locations and noted that this location was not included. Jim McCarthy shared that there is a trash can inside the gazebo.
 - iii. Community garden. Public Works has completed work on decommissioning the old garden. This work took the crew roughly a week to complete and multiple dump truck loads of debris were removed.

- c. **Warrenton Parks Nonprofit** – Brook Terry reported that since the October meeting the nonprofit has: registered with the state; obtained an EIN; received 501(c) tax exemption; registered with GuideStar; and set up PayPal, Venmo and GoFundMe. The next step is to determine which projects they will support. Bert Little asked if the nonprofit could move forward with securing the materials grant from Home Depot for community garden supplies. Brook Terry agreed that the nonprofit will support this initiative. The next step is to create a materials list. The next Parks Nonprofit meeting is scheduled for 1/22/24 at 4:00 p.m., location to be determined.
- d. **Park & Trail Sign Subcommittee** – Brook Terry reported that the Subcommittee met with members of Spruce Up Warrenton. Spruce Up Warrenton agreed to provide history and plant name information but will not provide funding for this project. Spruce Up Warrenton would like permission to plant daffodil bulbs next fall on the trail near NE 1st St. They were instructed to come before the Board to request permission at that time. Brooke Terry reported that the initial focus of the Subcommittee is on directional and map signs for the Waterfront and Skipanon Loop trails. They would like to leverage the design of the existing map signs with “you are here” star indicators and install them at the entrances for both trails. Bert Little raised the issue of QR codes. Sara Long volunteered to address this issue with the City prior to the next meeting. Brooke Terry noted that the Parks Masterplan calls for Spanish translations of new signs and shared that she has a contact at the Hispanic Council who could help with translations.

5. **Business Items**

- a. **Gold Star Memorial Placement** – Bert Little reported that the memorial is currently at his house. The next step is to call in utility locates. After locates are completed, a contractor will pour concrete and install a 4” pipe. The concrete will need to cure for a couple of weeks. After which, the memorial can be affixed to the top of the pipe. Sara Long asked who will pay for the contractor. Bert Little responded that they hope to find a local contractor who will donate their services. If they are unable to do so, VFW will cover the cost.
- b. **Community Garden Relocation** – Ron Dyer asked if the terms of the agreement with the school board will allow for trees to be cleared on the site of the new garden. Bert Little confirmed that it does. This work will be postponed until the weather improves. The next step is for the nonprofit to move forward with the Home Depot supply grant. Bert Little reiterated the importance of community involvement with the community garden. Any community member with questions on how to get involved can contact Bert Little.
- c. **WIKI Field Update** – Ron Dyer reported that field 4 has been compacted but that they will need to wait for a break in the weather before installing the turf. Due to the wet ground, they may be unable to get equipment in to move the turf over to the gravel area. In which case, they will reach out to Public Works for assistance. Work on field 2 is postponed until either spring or a freeze.

6. **Discussion Items**

- a. **Adopt-A-Park** – The Board discussed tabling this discussion item until after the Parks & Trail Sign Subcommittee has finalized their work, likely in April. Ron Dyer motioned to table this discussion item, Brooke Terry seconded the motion, all Board members were in favor. Motion carried. Brooke Terry volunteered to gather policy examples and to outline questions for the April meeting.
- b. **Field 4 to Grade School Trail** – Ron Dyer reported that there has been no action on this. He reaffirmed his desire to have the City and the School Board work together on this. He envisions a small culvert with a bridge over it.

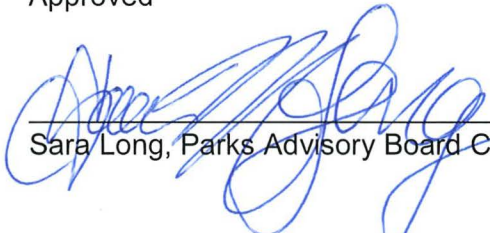

Additional Business Brought Before the Board

Jennifer Fowler and her husband, Jim, are currently leasing property at the Hammond Marina and are negotiating a long-term lease with the City. She has previously had discussions with Bert Little and Ron Dyer about utilizing some of this space as a multi-use space for older kids and members of the community to gather. Ideas discussed included: pickleball, basketball, and a covered area/pavilion. Jennifer Fowler also advocated for solutions to drive engagement among the fishing community. Sara Long informed the Board that the topic of a “Covered Area” will be on the agenda for the February meeting and invited Jennifer Fowler to participate in the discussion at that time.

7. **ADJOURNMENT**

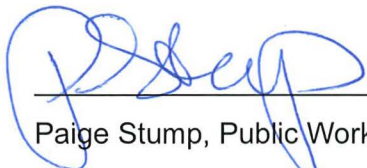

There being no further business, Chairperson Bert Little adjourned the meeting at 4:45 p.m. The next regular meeting is scheduled for February 12, 2024, at 4:00 p.m.

SUNSET EMPIRE FACTS

- On March 24, 1993, the Clatsop County Board of Commissioners voted to create the district with the help of a state transit grant.
- Sunset Empire Transit is a Special District similar to Fire and Irrigation Districts within the state of Oregon.
- The District relies on Property taxes, Timber taxes, State taxes, Federal Funding, and bus fares to provide services to the citizens of Clatsop County.

WHO WE ARE AND WHAT WE DO

Sunset Empire Transportation District operates all facets of public transportation with our own employees in Clatsop County. The leadership team of the District consists of an Executive Director, a Chief Operating Officer, a Finance Manager, a Mobility Manager, an Executive Assistant, and a Human Resources Manager.

Today: The District operates 4 Fixed route buses and 3 to 5 Para-transit buses for door-to-door service for seniors and persons with disabilities. The District serves a population of over 41,000. We averaged 500 daily riders before our services ceased. Since restarting services, we average about 250 daily riders.

THE FINANCIAL CRISIS-WHAT HAPPENED?

- In April of 2023 Sunset Empire ran out of money and shut down all services, but WHY did that happen?
- SETD was delayed in receiving Federal funding. During the delayed disbursement of Federal funds, SETD utilized state and local funds to meet payroll and continue serving the citizens of Clatsop County.
- The Board of Directors and ODOT were presented inaccurate financial information that reported the district still had over 800K in funds available. The Board of Directors was not made aware of SETD's precarious financial position until mid-April 2023.

THE FINANCIAL CRISIS-WHAT HAPPENED?

- Eventually the state and local funds that SETD was using to provide services to the citizens of Clatsop county ran out, and SETD ceased operations on 4/29/2023.
- With the help of Governor Tina Kotek, State Senator Suzanne Weber and State Representative Cyrus Javadi, SETD was given a \$1,000,000 loan from the Oregon Transportation Infrastructure Bank to restart services the following week. This loan will be paid back on a quarterly basis through the year 2027.

Dear Burlington Northern Railroad

It is my understanding that the property you own along the Columbia River in the town of Warrenton Oregon at the approximate intersection of Gray and Fifth streets with Clatsop County tax lot 81005DD00200 has sustained a lot of erosion from this winter's tides. Neighboring properties have also been affected by these tides, (Tax lot numbers, 81005DD00300,81005DD00400). The owners of tax lot 81005DD00300 have gone to tremendous expense in the past few years to fix this ongoing issue of erosion of this embankment.

I am writing this to inform you of this issue and to notify you of the damage to your section of the embankment. Currently the owners of tax lot 81005DD00300 are working on fixing their section in accordance with the standards set forth by the United States Army Corps of Engineers.

I am sure that you are aware of the constant weather and dramatic tidal influx and impact that happens on this section of the Columbia River and that it is only now a matter of time before the rest of your property ends up in the Columbia River and other neighbors become affected.

Sincerely,

Henry A. Balensifer III, Mayor

AGENDA MEMORANDUM

TO: The Warrenton City Commission
 FROM: Dawne Shaw, City Recorder
 DATE: February 27, 2024
 SUBJ: Warrenton Municipal Code Update – Noise Variances for Emergency Work; Ordinance No. 1271

SUMMARY

The City has had multiple instances where emergency repair work needed to take place outside of the permitted hours due to in-water work and low-tide timeframes. After several requests to the City Commission for noise variances, the Commission has stated the desire to allow for these variances without coming to them for permission. The current Warrenton Municipal Code outlines what constitutes “unnecessary noise,” and the permitted hours, therefore staff are requesting an update to the code. Ordinance No. has been prepared for your consideration.

Ordinance No. 1271
Introduced by All Commissioners

An Ordinance Amending Warrenton Municipal Code Title 9, Public Peace and Welfare, Chapter 9.04.040; Unnecessary Noise; and Amending Section 4 of Ordinance No. 851-A

WHEREAS, the Warrenton Municipal Code currently allows a noise variance, outside of the permitted hours, to be granted by special permit;

WHEREAS, the City of Warrenton occasionally has emergency circumstances that require construction work to take place outside of the permitted hours, due to tidal requirements and other variables; and

WHEREAS, per the current language in Chapter 9.04.040 of the WMC, the City must request permission from the City Commission for a variance for emergency work, resulting in potential delays; and

WHEREAS, the City Commission finds it appropriate to amend the Warrenton Municipal Code to update permissions for noise variances for emergency work to meet the City's needs; and

NOW, THEREFORE, the City of Warrenton ordains as follows:

Section 1. Amending Ordinance No. 851-A, Sections 4 – (4) and (5); Amending Warrenton Municipal Code Section 9.04.040, to read as follows:

[new language; ~~deleted language~~]

9.04.040 Unnecessary noise.

No person shall create or assist in creating or permit the continuance of unreasonable noise in the City. The following enumeration of violations of this section is not exclusive but is illustrative of some unreasonable noises.

A. Keeping an animal that, by loud and frequent continued noise, disturbs the comfort and repose of a person in the vicinity.

B. Using an engine, thing or device that is so loaded, out of repair or operated in such a manner as to create a loud or unnecessary grating, grinding, rattling or other noise.

C. Using a mechanical device operated by compressed air, steam or otherwise, unless the noise created by it is effectively muffled.

D. ~~Construction, excavation, demolition, alteration or repair of a building between the hours of 6:00 p.m. and 7:00 a.m., except by special permit granted by the City.~~ Construction, excavation, demolition, alteration or repair of a building or infrastructure, including streets, embankments, sewer and

water lines, between the hours of 6:00 p.m. and 7:00 a.m. that is loud enough to disturb persons in its vicinity or in a manner that makes it a public nuisance. However, in the case of an emergency repair, the City Manager may grant permission to make emergency repairs after hours for a period of 48 hours, in order to assist public safety, maintain public services, or reduce loss to property or life safety. Any scheduled repairs that require work to be done between the hours of 6:00 p.m. and 7:00 a.m. shall be brought to the City Commission for approval.

E. Using or operating ~~an automatic or electric piano, phonograph, loudspeaker or~~ a sound-amplifying device so loudly that it disturbs persons in its vicinity, or in a manner that makes it a public nuisance. However, on application to the City Commission, permits may be granted to broadcast music, news, speeches or general entertainment.

Section 2. This Ordinance shall become effective 30 days after its adoption by the Commission of the City of Warrenton.

AGENDA MEMORANDUM

TO: The Warrenton City Commission
 FROM: Dawne Shaw, City Recorder
 DATE: February 27, 2024
 SUBJ: Updating Order of Business for regular City Commission meetings
 (Resolution 2666)

SUMMARY

City staff are requesting an update to the City Commission regular meetings Order of Business, to include a section for Reports and Presentations. This would be a place on the agenda for staff/department reports, and also reports and presentations by outside entities, which do not require a motion or vote of approval. This addition to the agenda would allow for questions or discussion on reports, without pulling them out of the consent calendar. Staff have prepared Resolution No. 2666 for your consideration.
