Paul Mitchell made the motion to appoint Rebecca Sievers as Chair and Gerald Poe as Vice Chair. Motion was seconded and passed unanimously.

CONSENT CALENDAR

A. May 17, 2018 Urban Renewal Agency Budget Committee Meeting Minutes

Mayor Balensifer made the motion to approve the consent calendar as presented. Motion was seconded and passed unanimously.

Public Comments: None

Budget Officer Linda Engbretson noted the Urban Renewal Agency (URA) has been in place since 2007 and noted there are projects coming in the new year. She stated staff is working with a consultant to prepare a substantial amendment to the district plan, approximating an additional \$4 million in district funds for projects through the final years of the district, which is slated to sunset in 2027. Approval of a substantial amendment will not affect the 2019-2020 fiscal year budget. Discussion followed on the amendment and projects.

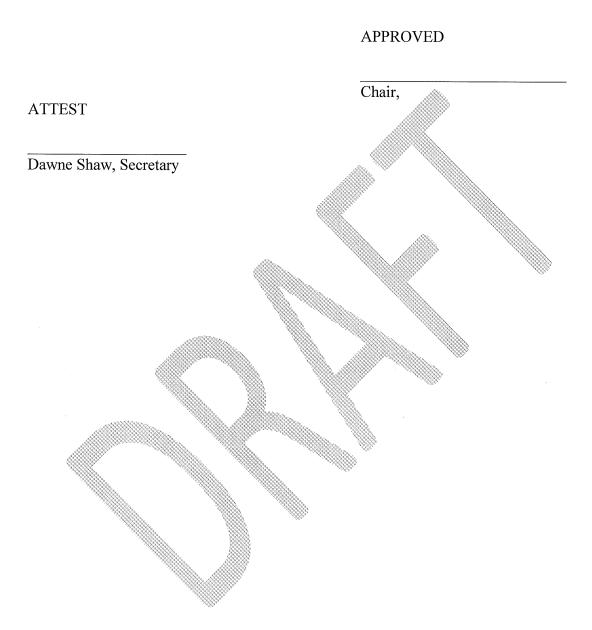

<u>Page 4 – Capital Projects Fund</u> – Ms. Engbretson noted the projects on the list.

<u>Page 5 – Debt Service Fund</u> – Finance Officer April Clark noted this is a debt service fund – 2 bonds and a revolving credit line. She noted the transfers to capital projects and debt service reserves. Brief discussion continued.

<u>Page 6 – Debt Service Reserve Fund</u> – Ms. Clark noted bonds have a requirement that we reserve a certain amount.

Mayor Balensifer made the motion to approve the FY 2019/2020 Urban Renewal Agency budget. Motion was seconded and passed unanimously.

There being no further business, Chair Sievers adjourned the meeting at 7:45 p.m.

Budget Message - Urban Renewal District

May 16, 2020

Dear Urban Renewal Budget Committee Members:

The Warrenton City Commission adopted an ordinance creating an Urban Renewal Agency (URA) in 2007 to provide the framework for creating an Urban Renewal District in the City. The Commission chose to appoint itself as the Agency. The Commission also decided to appoint members of the City's Budget Committee to the Urban Renewal Budget Committee. The latter action was to expedite the review and adoption of Urban Renewal budgets which are required by statute to be separate from the City budget. The Commission also appointed an advisory board to make recommendations to the URA as to the creation of Urban Renewal Districts, development plans, and related activities. The Advisory Board has been active in developing plans for the District as funding becomes available.

The Warrenton Urban Renewal Agency Budget is being recommended for your consideration. In 2009, the URA applied for a credit line to establish debt with a local bank and implemented a Downtown Master Plan and Warrenton Marina Master Plan process. In 2012 and 2016 the URA placed revenue bonds with a local bank in the amount of \$1.64 million and \$2.2 million, respectively to finance projects at the marina and downtown. In 2019, the City completed a substantial amendment providing for an approximate \$4.7 million in additional revenue over the life of the District.

The URA budget for the 2020-2021 budget year consists of a Capital Projects Fund, a Debt Service Fund, and a Debt Service Reserve Fund which is a requirement of the Urban Renewal bond issues, dated July 31, 2012 and August 4, 2016. The money in this fund is "reserved" to pay the debt service on these bonds. Staff is projecting tax increment revenue at \$773,935 with a total resource of \$2,634,496 in the Debt Service Fund. Staff is initially projecting transfers to the Capital Projects Fund in the amount of \$1,500,000 to use accumulated tax on a "pay as you go" basis, rather than incurring additional formal debt. If other project funding is needed and available during the year, possible loan proceeds are estimated at \$4,907,433.

Last year we completed the downtown landscaping project, which included "Veterans' Park" (in front of Post Office), the power pole "bulb-outs," and the intersection at Main/105 spur. A small waterline project was completed to increase fire protection in an under-served neighborhood on SE Anchor and SE 14th. Approximately \$30,000 in façade grants were given, and we are anticipating the completion of a small decorative lighting project. A major infrastructure project for SW 4th Street to the Quincy Park is in final design. This project includes adding sidewalks, moving powerlines underground, replacing an undersized waterline, and improving drainage. We had hoped to complete this project this fiscal year but ran into design issues. Urban Renewal funds will pay a percentage of this project, along with City street, water, and storm funds. In addition, specific projects planned for FY 20/21 include completing the commercial work pier at the marina and parking lot improvements to the lot adjacent to City Hall. Staff will work with the Advisory Committee to prioritize projects in the downtown district.

Respectfully submitted,

Linda Engbretson Budget Officer
